Swim Test and Band Colors: Each swimmer, 14 years old and younger, are required to take a swim test. The swim test includes swimming, as best as they can, with their head in the water along the pool's edge, as far as they can. A submersion and back float will also be tested. Based on the swimmer's skills, a colored wristband will be given to determine where they may swim in the pool and what stage the swimmer will be in for swim lessons.

Red: A red swimmer is a non-swimmer who cannot swim on their own and needs assistance staying afloat. Red swimmers **MUST** be accompanied by a parent or guardian 18 years or older and **MUST** remain in the pool with them at an arms' length. The designated area of swim is in the shallow end if each pool. **ALL** red swimmers **MUST** wear a U.S. Coast Guard approved life vest at **ALL** **TIMES** unless an adult (18+) is holding and swimming with the child. **NO EXCEPTIONS!**

Yellow: A yellow swimmer is an intermediate swimmer who can float for 10 seconds on their own but cannot confidently swim the length of the pool. Yellow swimmers have an understanding of their safe zone in the water. Yellow swimmers must stay where they can touch the bottom of the pool at all times.

Green: A green swimmer is a confident swimmer, who can swim the length of the pool with their face in the water, tread water and back float for 30 seconds. Green swimmers may swim in any depth of water in the pool and utilize the lap lanes when available.
