GROUP EXERCISE CLASSES

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

MetaFit: This high-intensity program combines strength, power, agility, anaerobic and aerobic elements for a high metabolic output.

H.I.I.T (High Intensity Interval Training): This class is a structured workout using station rotations and alternating short bursts of intense, maximum-effort exercise with brief recovery periods

Aqua: A boot camp style class to help you increase range of motion & agility by utilizing the water to support & challenge your movements through high intensity interval training. Water weights are used to work all muscle groups. Moves are designed for both shallow and deep-water depths.

Foundations: A class that works on movements to increase balance, build strength, correct your posture and eliminate pain with specially designed corrective exercises.

Taijifit: This class is a mind-body workout that blends traditional Tai Chi with modern fitness. Suitable for all ages and fitness levels, it uses “Qi Cueing” to harmonize the muscular, cardiovascular, nervous systems.

Chair Pilates: Chair Pilates/ Yoga is a low-impact class that focuses on strengthening muscles while improving flexibility and posture. This class will help you gain deep core strength, increase all-over body tone and balance.

Slow Burn: The exercise class known as “Slow Burn” is a fitness program that focuses on slow, controlled movements and muscular engagement to build strength and improve overall fitness.

Sound Healing: A gentle hatha flow suitable for all levels, ending with a shavasana accompanied by sound healing instruments.

Rehab Exercise: Learn the foundations of rehab exercises including strengthening and stretching muscle in order to alleviate symptoms from physical conditions or sports related injuries.

Yoga-Vinyasa: This class focuses on transitions and movements, with less time spent in stationary poses. This class will help attain balance in the mind and body.

Restorative Yoga: An intentionally slower paced class suitable for all levels. The practice starts with slow movement in and out of standing poses and then moves to long held seated poses to open up and relax the deeper tissues of the body, joints & ligaments for balance, flexibility & fluidity to the body. Modifications & props are offered to encourage everyone to work at their own level.

Pilates Sculpt: Traditional mat Pilates that incorporates sculpting to tone. Yoga is incorporated for additional flexibility.

Zumba: The Zumba® program, created by Beto Perez, fuses Latin dance rhythms with easy-to-follow dance moves. The result of this fusion is a fun workout that feels more like a night out dancing than a “work” out.

Zumba Toning: The Zumba® Toning program, combines targeted body-sculpting exercises and high-energy cardio work with Latin-infused Zumba® moves to create a calorie-torching, strength-training dance fitness party. Using light weight dumbbells, you’ll work every muscle group while you groove.

Barre/Pilates: Combining movements from ballet, yoga, and some elements of Pilates/Barre. Pilates workouts are designed to increase your full body strength in a sweaty, fun workout.

Dance Party: A fun, high-energy workout that combines dance movements with fitness exercises, set to upbeat music from the 70’s, 80’s and 90’s, creating a party-like atmosphere while burning calories and boosting your mood.

Chair/Mat Yoga: Chair/Mat class employs the use of a chair to support the foundation a mat may be used for more intermediate/advanced students. With a greater sense of stability, students can further develop balance, toning and range of motion.

Chair Yoga: Yoga performed while seated using modified postures, breathing exercises, and sometimes standing poses with the chair for balance, offering benefits such as increased flexibility, improved strength, and stress reduction.

Power Yoga: Power yoga is a fast-paced, fitness-oriented Vinyasa style that emphasizes strength, stamina, and movement in a heated room.

Mixed Yoga: This program combines multiple yoga disciplines.

Spin: This class is a great cardiovascular workout. Pedal through hill climbs, sprints, and many other challenging drills and exercises.

Barbell Class/Body Sculpt: A weight training class that uses weights, bands, gliders and body weight to tone muscles and build strength.

Forever Fit (formerly Silver Sneakers): Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance. A chair is used for seated and/or standing support.

Beginning Line Dancing: Beginning line dancing involves repeating a choreographed sequence of steps—such as grapevine, step-touch, or shuffles—facing one or more walls in a line without partners.

Line Dancing: Line dancing is a high-tempo, technically demanding style for experienced dancers, characterized by intricate footwork, multiple turns, and complex, often phrased, choreography.
